

Keyflow® Perfect Balance™

Pre-Digested Comprehensive Balancer

Perfect for:

- Horses and ponies on high fiber diets
- When low starch, low sugar nutrition is required
- Horses on box rest or in light work
- Horses at livery
- Overweight horses or ponies
- Barefoot or laminitic horses or ponies
- Adding when feeding less than recommended levels of other Keyflow® feeds

Key Points:

- Comprehensive, high spec nutrition that delivers outstanding results
- Perfect springtime nutrition to support spring grass
- Max digestibility is achieved through the pre-digestive feed technology wet steam extrusion
- Extremely versatile, can be fed to a wide range of horses and ponies
- Feed with Pink Mash® as a base or feed to complement the rest of the Keyflow® range
- Very economical with a low cost per day to feed
