

TRIBUTE®

EQU-FERM^{XL}

A prebiotic & probiotic supplement to support total diet digestibility & overall digestive health.

PRODUCT CODE: 9900EF

FORM: Pellet

- **Microencapsulated**—resulting in improved stability for the live yeast during processing and passage through the GI tract.
- **Improves digestibility** of the total diet by supporting the growth of beneficial fiber-digesting bacteria.
- **Stabilizes hindgut pH** by promoting the growth & activity of beneficial bacteria, even during stress and the feeding of high sugar/starch diets.
- Provides a direct source of nutrients (vitamins, amino acids) to the beneficial bacteria of the hindgut.

FEEDING DIRECTIONS:

During periods of stress when feeding Tribute® products:	
Foals	1.0 oz/day
Mares/Stallions/Geldings	2.0 oz/day
Show/Performance Horses	2.0 oz/day
Maintenance level when NOT feeding Tribute® products:	
Foals	1.0 oz/day
Mares/Stallions/Geldings	2.0 oz/day
Show/Performance Horses	2.0 oz/day
During periods of stress when NOT feeding Tribute® products:	
Foals	2.0 oz/day
Mares/Stallions/Geldings	4.0 oz/day
