

TRIBUTE®

GRASS ASSIST BLOCK

A vitamin/mineral block for horses consuming grass or mixed forage.

PRODUCT CODE: 9206BLK

- Designed to supply nutrients that are typically low or imbalanced in grass or mixed forages.
- **Organic minerals** replenish body tissue stores depleted during daily activities and exercise.
- Generous levels of vitamins which can be low in poor quality forage.
- Higher levels of **Vitamin E** and **Selenium**—highly effective antioxidants, effective in reducing damage to body tissues from aging and exercise and supporting your horse's immune function.
- Provides **amino acids** for muscle maintenance.
- Fortified with **biotin** for hoof health.

FEEDING DIRECTIONS:

Feed Grass Assist Mineral to horses on all types of rations to provide supplemental nutrients when fed along with grain and roughage. Place in a dry location. Consumption rates will vary.

WARNING: Contains copper. Do not feed to sheep.
